

Model Answer for *Dear Mami* Email

Dear Hiro,

Thanks for your email. My family and I are all well, thanks for asking. Yes, I hope that we will be able to see each other again soon.

Staying at home all the time was boring for me too but I did enjoy spending more time with my kids.

Like you, we have also been thinking about a vacation. I really want to go overseas, either Europe or South America.

But if this plan doesn't go ahead, my family and I would love to join your camping trip. Where are you planning to go?

I look forward to hearing from you again,

Mami
