Dear Rin,

Hi, thanks for the message! It's good to hear that you are doing well. And thank you for the present. I love these biscuits so I am very happy. I'll have them with a cup of my favorite tea.

Well though it's sometimes tiring, yes, I am enjoying my job because my students are active and motivated.

With regards that restaurant, the name is Mei Li 101. You're right, the soup dumplings were delicious, weren't they? I'd love to go there with you again!

I want to see you, too. I would like to go to Okinawa next summer. If that happens, I'll definitely let you know!

All The Best,
Ginger
