Dear Takafumi,

Thanks for your email. Can I first say, well done for passing the university entrance exam – it is always very difficult.

Now, let me try to answer your questions. You asked about your room. I can confirm there is a bed and desk in the room but no shower. You will share a shower with three other students.

With regards the dormitory canteen, it is closed at lunchtime, but don't worry there are lots of places to eat lunch on campus.

To get to the campus from the dormitory you can take the number 33 bus. The journey usually takes about 20 minutes.

I hope this helps and look forward to seeing you at the start of the semester.

Sincerely

Professor John Smith
